REPLY TO RESTRICTION REQUIREMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

This Reply to Restriction Requirement is being filed in reply to the Restriction Requirement mailed March 26, 2002. Applicants reply as follows:

REMARKS

Applicants elect to prosecute claims 21-41, and therefore cancel claims 42 and 43 without prejudice. Additionally, Applicants elect the species of the claimed method wherein the receptor is a retinoid receptor. This species is readable on claims 21, 22, 23, 24, 25, 33, 35 and 39.

Applicants note that under MPEP 809.02(c)(B)(1) at such time as a generic claim is found to be patentable, the claims drawn to non-elected species will be examined.

If there is any fee due in connection with this Communication, please use Deposit Account 01-0885.

Respectfully submitted,

Dated: 4/8/02
